

It's time to play hardball
with knee pain.

Keep your patients in the game with the new DonJoy® OA ADJUSTER. When it comes to superior offloading, the OA ADJUSTER covers all the bases. Commended by the Arthritis Foundation and rated clinically effective in *The Journal of Bone and Joint Surgery*, it offers immediate pain relief without surgery or pharmaceuticals. For your active patients, that's a huge win. Call 1.800.336.6569 or visit www.donjoy.com for more information about our entire line of knee osteoarthritis braces.
